### **Muskeg Meadows Modifications**

Course repairs on fairway #3 remain in effect. Beware of foot bridges, and areas that are roped off. Please note that the areas under construction are considered out of bounds, and may be played with a free drop, no closer to the pin. The yardage on that fairway has been modified and compensated for on fairway #6, changing #6 fairway to a par 4. During tournaments teams will be using the colored pegs for tee areas. Men use the white and ladies use the red pegs for a short par 3. On fairway #6 the champion boxes will be used by men and the white tee box will be used as the forward tee. The "Closest to the Pin" competition will remain on #4. The "Straightest Drive" has permanently been moved to fairway #1 from #5. The orange flag on #4 continues to remain under repair. The new driving range netting has arrived at the golf course and coordinating a work party for installation is underway.

### **Volunteer Opportunities**

Friday, May 24th Muskeg Meadows Golf Course will have several volunteer opportunities available throughout the day such as Lunch Server, Golf Course Motor Cart Tour Guide, and Range Picker. If interested, please call the Proshop to discuss details.
