18-Hole "Drop Out"
Scramble*

**Best Ball "Drop-out"
Scramble:** Drop Out is a
variation of the scramble
in which the player whose
ball is chosen sits out the
next shot. Here's an exam-
ple: A, B, C, and D tee off.
The best result of the lot is
C's, so on the second shot,
A, B and D take a swing.
D's shot is the best of
those, so on the next shot
(or putt), A, B and C play.

Representing Alaska

drew Oglivie, Tom Mar-
riage, Penny Jordahl,
Jan Kemp, Todd Sproul,

who all played, but

Weather was anything but conducive for forty-three participants in this 18-hole golf event. Drenching rain and slippery grips was the theme for this traditional golf event. Temperatures topped a high of fifty-six degrees in what started the tournament in heavy mist and drizzling rain. The weather quickly changed to a seven-hour golf event in heavy downpour and fifteen knot wind gusts which made for very poor golfing conditions. The "Drop Out" format was originally chosen by Bill McKay, former CEO of Alaska Airlines, with the idea it would help increase the pace of play. Historically, Muskeg Meadows has hosted over 150 people from near and far to join in the competition for Alaska Airlines tickets. Alaska Airlines offered the traditional grand prize drawing of 4 unrestricted round trip, system wide tickets. The winner of the grand prize was Ray Pederson from Petersburg, Alaska! One ticket for each day went to the winner of the "Straightest Drive" and "Closest to the Pin" competitions. Saturday's 18-hole tournament "Straightest Drive" went to Chelsea Mills originally from Kake, Alaska. The "Closest to the Pin" was Wrangell Golf Club Charter Member, Mike White.

On the backyard BBQ menu for the weekend was Golf Course Beer Brats, and Sloppy Joe sandwiches with donated side dishes of potato salad, fruit salad, cabbage salad, bow tie macaroni salad, three-bean salad, and bean stew were all donated by generous club members.

First Place Winner's Corner

Don Roher: Wrangell Golf Club Board Member, Youth Leader, and Golf Instructor. Don is the only recognized golf instructor in Southeast Alaska able to give the golf merit badge for Boy Scouts of America. Don has been a Wrangell Golf Club Board Director for several years, and continues to sit on the board, and be actively involved in the daily activities of all the youth programs.

Joe Lewis: 21 years of age, returning golf student of Don Roher's and college student at UAS in Juneau. Joe grew up in Wrangell golfing at Muskeg Meadows under the mentorship of Don and his wife Bonnie Roher with Boy Scouts of America. Absent from golf for the past two years, Joe returned to the golf course to

participate in this years Alaska Airline's annual golf event.

Chelsea Mills: Grew up in Kake, Alaska. 20 years of age. Naturally athletic, Chelsea was a high school wrestler and played basketball. Chelsea comes to the golf course via Joe Lewis. Encouraged to golf only earlier this week, Chelsea's first time hitting a golf ball was right here on the driving range at Muskeg Meadows. Just four days ago Chelsea and Joe volunteered several hours of labor to the golf course in trade for Chelsea's very first 9 hole round of golf.

Chelsea came back the day before the tournament to practice with buckets of range balls once more before she played in this weekend's events. The scorecard shows Chelsea carried the team most of the game.

Winner's Corner Cont'd

Tyler Gunn: Wrangell Golf Club Charter Member, and once served on the Wrangell Golf Club Board of Directors. Tyler was one of Muskeg Meadows "Founding Fathers".

Mike Ottesen: Also a Wrangell Golf Club Charter Member, Mike Ottesen, Jr. has called Muskeg Meadows his home course since the beginning of the golf course's history.

Colin Dando: A new resident of Wrangell, and Wrangell Golf Club Member, Colin finds time to golf when he's not busy working at the Totem Bar. Only competing in a handful of tournaments this season, Colin and team were thrilled to walk away with the first place trophy.

Dustin Phillips: Lifelong resident of Wrangell, Dustin spent many days of his childhood at Muskeg Meadows Golf Course. Early in his life, Dustin took golf lessons with local golf mentors at Muskeg Meadows Golf Course. Since adulthood, Dustin admits to not hitting the links as often as he'd like. The lack of recent practice did not hinder Dustin's team score this weekend.

Ray Pederson: Wrangell Golf Club Charter Member, Ray Pederson has been visiting Wrangell from Petersburg and playing golf at Muskeg Meadows since the beginning of the golf course's existence. Ray has been known to golf an average of 27 holes each time he visits Muskeg Meadows Golf Course. When Ray isn't busy working during the week, he will take a short boat ride over from Banana Point in Petersburg and spend his days at the golf course. Ray has attended the majority of tournaments held at Muskeg Meadows over the past two decades.

USGA golf rules apply at Muskeg Meadows Golf Course during tournaments. Muskeg Meadows is USGA rated moderate to difficult. A par 36, Muskeg Meadows gets its name from the wet, marshy lowlands it was built on. Because of its difficulty, and the average golf member handicap, Wrangell Golf Club Board of Directors have issued its own unique handicap system for tournament players. Designated course rule: W.G.C. Members receive a maximum handicap of 18 for men and 22 for women (beginners). Nonmembers (beginners) who enter a tournament receive a maximum handicap of 15 for men, and 18 for women.

The only other official course rules that apply to tournament play are noted on the back of Muskeg Meadows scorecards. "Gimme's" are not advised, and there are still "no Mulligan's in golf".

NEW! Horseshoe pits have permanently been installed in the front parking lot area. Horseshoe rentals are \$20.00 plus tax.

Men's Mentor, Tom Wolford will be rescheduling men's group to Friday, July 19, 2013 starting roughly 6:30pm.

As an incentive to join in the evening golf mentoring groups, Muskeg Meadows is giving club members 50% off all rentals, including motor carts. Which brings the motor cart rental fee down to only \$10 plus tax! *All contract terms and rules apply.

Mentors slogan, "Drive for the show, putt for the dough".

Evening golfers should bring bug repellent, and light rain gear, water proof rain hoods and club covers, marker pens for identifying individual's golf balls.

Golf Course Attendant, Bill Messmer recommends using Listerine as a non toxic bug repellent.

Modifications

Course repairs on fairway #3 remain in effect. Beware of cart path, foot bridges, and areas that are roped off. Please note that the areas under construction are considered by USGA as "Ground Under Repair", and may be played with a free drop out of the area, no closer to the pin.

The yardage on that fairway has been modified and compensated for on fairway #6 changing #6 to a par 4.

During tournaments teams will be using the colored pegs on #3 for tee areas. Men use the white pegs located just below the construction area and ladies use the red pegs just above the construction area for a short par 3.

On fairway #6 the champion boxes will be used by men and the white tee box will be used as the forward tee.

The "Closest to the Pin" competition will remain on #4.

The "Straightest Drive" will permanently remain on fairway #1.

Pictured on the left is the current construction area on fairway #3. A relief is given, no closer to the pin out of this rough area. Please be advised the new tee area for men (white pegs) is just below this construction, and ladies tee area (red pegs) is just above it, making #3 a short par 3. The yardage will be made up on fairway #6, changing #6 to a par 4. Pro box is used by men and white box will be used as the forward tee for ladies.

For your safety, please be aware of and yield to ground under construction areas that are roped off throughout the golf course. On the back side of the buildings near the Tourney Room construction has begun. A temporary ramp to the Tournament Room was put up and new steps to the back porch of the Proshop and the rental room are now useable. Club Member and golf mentor, Tom Wolford, has been working to rebuild the back stairs to the Proshop, Renal "Ball" Room, and the entire porch and ramp of the Tournament Room.

harm to anything that isn't insect larva. Nematodes won't harm plants or earthworms either.

These predator nematodes kill only grubs by invading the insect's body and reproducing on the remains.

Nematodes can multiply by the millions per second when the conditions allow and each new nematode will repeat the cycle. Check out Charley's Greenhouse, in Mt. Vernon, Washington online to learn more about the beneficial nematodes at Muskeg Meadows Golf Course.

Ravens vs. Muskeg Meadows Golf Course

It only seemed that Muskeg Meadows had the upper hand in the fight against the ravens last week. This week, the ravens have begun to peck and dig and turn over the sod again. Spotty areas have been turned over through out fairways #3, #7, and #9. These rough areas are considered "Ground Under Repair" with a relief given, no closer to the pin.

http://www.charleysgreenhouse.com/index.cfm?page=_productdetails&productid=7852&learnmore=1#lmore

The nematodes were funded, in part, by the Rasmuson grant the Wrangell Golf Club received this year for course repair and maintenance within Muskeg Meadows Golf Course after last year's raven destruction.

The effort to control the raven's food source, grubs, continues at Muskeg Meadows. The golf course Superintendent, Wayne Harding, has administered several millions of predatory nematodes to the sod. He also has a plan to administer several million more. The nematodes will seek out and destroy the grubs. Predatory nematodes cause no

Ravens are a protected species and are considered sacred by the local natives of Southeast Alaska. The Legend of the Raven says the once white bird, now black, helped bring the sun, moon, stars, fresh water and fire. The Raven is also considered by local natives to be ancestors who are mischievous, handsome tricksters.

Pictured above are examples of the damaged fairways caused from ravens.

Your Instructor, Don Roher offered children's golf lessons at Muskeg Meadows Golf Course. The Roher's schedule is fairly flexible. Please call the golf shop for preregistration.

Volunteer Opportunities

There are several volunteer opportunities available at Muskeg Meadows Golf Course.

Salads and side dishes are greatly appreciated for our backyard BBQ during every tournament.

There is always a need for a "Double Your Money" host to spot on fairway #4 during tournaments. Must be 18+ years to participate.

Volunteer position requires taking and recording bets and verifying if better's tee shot makes it to, and remains on the green.

There is also always a need for driving range pickers to find range balls outside the driving range nets. The golf course has special "Shag Bags" to pick up range balls which will save from bending over and reaching for the balls on the ground.

Painting, pruning trees and shrubs, and tending to the flower beds throughout the golf course is also something a volunteer could help with.

Volunteers for the club cart need to be familiar with golf etiquette, Muskeg Meadows Golf Course, and alcohol servers state laws. Club members familiar with the golf course and volunteers with a alcohol server certification will take precedence.

Youth

Wrangell Parks and Rec Summer Youth Program is scheduled to return to Muskeg Meadows Golf Course for lessons, Tuesday, July 16, 2013 from 11am-12noon. For safety and skill, Don and Bonnie Roher will be offering golf etiquette instructions on the driving range and practice putting green.

When accompanied by an adult, greens fees at Muskeg Meadows for children under 12 are always free! Children under 18 receive steep discounts on greens fees.

Muskeg Meadows Golf Course is unique in the sense that it is beginner friendly. Aside from tournaments, and days the large cruise ships are in town, tee times are not required. During the week, teams who play slower, let faster golfers play through. Hitting the links with the family is encouraged.

At the core of the game of golf there is a standard of behavior that lends itself to positive development in children. Present at any level of competition are personal skills such as honesty, integrity, courtesy and respect. Golf encourages the highest level of sportsmanship by teaching kids to be responsible for their actions and to use good judgment. Golf also allows for quality family time. It's a game that families can learn and play together. Because golf has an established handicap system that was created to determine a golfer's playing ability and potential, moms and dads can actually *compete* with their children even if they play from different tee boxes, or at significantly different skill levels.
