Member. Also volunteering was Rebecca's son, and Wrangell High School Golf Club Champ, Mikel Smith.

The weather was great all weekend with patchy

blue sky, and temps in the mid sixties for two 3-person teams and ten 4-person teams. Each golfer had their chance for the \$30,000 hole-in-one on fairway #4. Everyone tee'd off from the

red, forward tee box for a 137 yard opportunity to win the \$30,000 in a hole-in-one.

Several people succeeded reaching the green with the tee shot, and there were a few balls that rolled dangerously close to the hole, but no one got the official hole-in-one. Also on hole #4 was the "Closest to the Pin" competition.

Aaron Powell got "Closest to the Pin" on Saturday, with 23'4". And Steve Kemble took it Sunday (his birthday) with 24'1".

One dollar of each person's tournament entry fee goes to the winner of both "The Straightest Drive" and "The Closest to the Pin". The winners took home \$46 on Saturday and \$43 on Sunday.

For insurance purposes, First Bank's employees that didn't golf camped out on hole #4 for the entire tournament to verify the potential hole-in-one. Amber Hommel, Tammy Groshong, Maxine Neyman, and Loretta Rice watched golfers from inside a protective tent that was strategically placed next to the green.

Participating in this tournament were Mark Sams, Eric Kading, Faye and Keene Kohrt, Wayne and Toot Harding, Kim Mishko, Grover Mathis, Greg Scheff, Ed Rilatos, Doug Nelson, Rafael Nunez, Jerry Bakeberg, Tom Wolford, Pat and Frank Roppel, Jim and Betty Abbott, Arnie and Kathy Sandness, Ray Pederson, Desi Burrell, George Woodbury, Martin Pihl, Al Johnson, Brian Ingraham, Matt Hagan, Paul Loftus, Steve Kemble, David Deal, Don Roher, Glacier Larsen, Warren Edgley, John Tullis, Hal Rhodes, Brian

Slick, Chris Ellis, Roxanne Yancey, Rebecca Smith, Jim Sarvela, Jim Shoemaker, Randy Littleton, Tyler Gunn, Aaron Powell, Mike Ottesen, and Colin Dando.

1st place: Jim and Betty Abbott and Arnie and Kathy Sandness. Team handicap, 17. Net score, 19

2nd place: Eric Kading, Mark Sams, Keene and Faye Kohrt. Team handicap, 15. Net score, 19

3rd place: Kim Misko, Grover Mathis Wayne and Kathleen Harding. Team handicap, 16. Net score, 20

4th place: Ray Pederson, Desi Burrell, and George Woodbury. Team handicap, 13. Net score, 21

5th place: Matt Hagan, Al Johnson, Brian Ingraham, Paul Loftus. Team handicap, 15. Net score, 21

There were some ties in this game. Scorekeeper, Bill Messmer, used the designated handicap holes as tiebreakers.

To break the tie between 1st and 2nd place, the fewest strokes on fairway #1 was used to determine the win (6,5).

4th and 5th placed also tied with a net score of 21. Again, the scorekeeper used the team with the least amount of strokes on fairway #1 to determine the win (6,5).

"The Straightest Drive" was Tom Wolford who's ball landed on the line.

On this day there were ties across

the board. First place won with only 5 strokes on fairway #1, compared to the opposing 6 strokes. Third and fourth place both had 5 strokes on fairway #1. The team with the fewest strokes on fairway #2 broke that tie. (7,5)

“The Straightest Drive” went to Faye Kohrt with 6 5/8” from the line.

Ketchikan Little League team, coaches, managers, parents and relatives were visiting Wrangell and came out to compete at Muskeg Meadows for this weekend’s golf events. Several children and parents used the driving range while the tournament was underway.

Attending the First Bank tournament from Ketchikan, Alaska were

Steve Kemble, Brian Salazar, David Deal, Cade King, Al Johnson, Brian Ingraham, Martin Pihl, and Jim Shoemaker.

Sunday was also a special birthday for Ketchikan Little League coach, Steve Kemble.

On the backyard BBQ menu for the weekend was hamburgers and hotdogs. Sunday the golf club served Sloppy Joe’s in addition to the burgers and dogs. Salads and side dishes were prepared by Nedra Shultz and Loretta Rice.

First Bank provided lunch for all the golfers and their guests for the entire weekend, as part of their “Customer Appreciation Week”.

First Place Winner’s Corner

Jim and Betty Abbott: The Abbott’s are active Wrangell Golf Club Charter Members and have an extensive history in the golf club. Jim is considered a co-founder in the early production of Muskeg Meadows. Jim and his wife, Betty have played at Muskeg Meadows since it was raw sawdust and wood chips, before the first grass seed was planted. Jim Abbott served on one of the first open seats on the Wrangell Golf Club Board of Directors and played a key role in the business development of the Wrangell Golf Club, Inc.

Pictured above is Arnie Sandness. Top right is Toot and Wayne Harding and below right is Kathy Sandness, first place teams of the 12th Annual Customer Appreciation Golf Tournament sponsored by First Bank.

Arnie and Kathy Sandness: “Transplant” Alaskans, from Washington state, Arnie and Kathy call Muskeg Meadows their home course for half the year. The other half of the year, they spend in Arizona. Arnie and Kathy have been golfing at Muskeg Meadows since the mid nineteen-nineties, when they first took interest in the game.

Drawn in because of its natural beauty and also because it is beginner friendly to golfers. These days, Arnie and Kathy have been known to play 27-36 holes in a day. Kathy is currently holding a golf mentoring league for ladies every Tuesday evening.

Kathy is also actively involved in the production of the Women’s Cancer Care Rally golf event in August. The Rally is a Wrangell Medical Center Fundraiser for Cancer Care Relief. WMC offers \$1000.00 to every cancer victim

in Southeast Alaska to help offset travel expenses for medical treatment.

Wayne and “Toot” Kathleen Harding: Wrangell Golf Club Charter Members. Wayne Harding is the golf course Superintendent and his wife Toot serves on the Board of Directors. Wayne was one of the first people to plant grass seeds on the golf course. Wayne currently continues to maintain the grounds, and equipment.

Kim Misko: Comes to Muskeg Meadows via Wayne and Toot Harding. Ms. Misko has played at Muskeg Meadows Golf Course at least once before.

Rebecca Smith: Wrangell Golf Club Member since 2012. Re-

becca and her young son, Mikel joined the golf club with the Tuesday evening ladies mentoring group with Kathy Sandness last year. Rebecca works at First Bank as the Operations Supervisor at the Wrangell branch. Her son, Mikel joined the Wrangell High School Golf Club this year, and won the Championship. Mikel picked up golf after mentoring with Kathy Sandness in his mom’s group the previous year. Rebecca and Mikel play golf together several times a week.

This is a fantastic scenic opportu-

nity for families who are visiting for the summer. Stop by the golf course to set up a time that works great for you.

Last Thursday's plan to begin changing the nets in the driving range were postponed until further notice. Clay Hammer, with the City of Wrangell has kindly offered to help with the process by using the City's lift truck to install the new hardware on the poles for the driving range netting.

This process is scheduled to take part in two phases. Phase one is a process estimated to take a day or two. It includes using the lift to install new pulleys and rope which will eventually hold the netting.

Phase two is estimated to take approximately a week. It includes laying out the new netting on the field, clipping panel edges together and the installation of the nets onto the ropes.

During this process the driving range will be closed.

Friday, July 26, 2013 from 8am-5pm the Oceana Regatta will be visiting Wrangell. The Regatta is 593.7 feet long and has 684 passengers and 400 crewmembers aboard. Muskeg Meadows will have limited rental availability during the time the Regatta will be visiting. Muskeg Meadows has reserved the majority of club and cart rentals for cruise ship guests. Please call ahead to schedule a tee time if you'd like to fit in to the golf course during the hours of 7am-4pm on these black out dates.

Plans are currently in the making for the beginning of an annual Junior Golf Camp with the Wrangell Golf Club Youth Leaders, and Golf Instructors, Don and Bonnie Roher. The tentative dates will be immediately following the Little League State Championships each year. This program will be based on the USGA Junior Golf Program guidelines. Please watch for progress notes as plans finalize for the 2014 golf season.

Latest News Cont'd

USGA golf rules apply at Muskeg Meadows Golf Course during tournaments. Muskeg Meadows is USGA rated moderate to difficult. A par 36, Muskeg Meadows gets its name from the wet, marshy lowlands it was built on. Because of its difficulty, and the average golf member handicap, Wrangell Golf Club Board of Directors have issued its own unique handicap system for tournament players. Designated course rule: W.G.C. Members receive a maximum handicap of 18 for men and 22 for women (beginners). Nonmembers (beginners) who enter a tournament receive a maximum handicap of 15 for men, and 18 for women.

The only other official course rules that apply to tournament play are noted on the back of Muskeg Meadows scorecards. "Gimme's" are not advised, and there are still "no Mulligan's in golf".

NEW! Horseshoe pits have permanently been installed in the front parking lot area. Horseshoe rentals are **\$10.00 plus tax per hour.**

Golf Mentoring for Men and Women

Mentors slogan, "Drive for the show, putt for the dough".

Ladies: Tuesday evenings starting after work around 5:30pm.

Men: Thursday evenings starting after work around 6:30pm. Dates are flexible and are subject to change.

Club members of the mentoring groups receive special member discounts, only \$15 greens fees, and a "Bonus Round" each week. And 50% off all rentals.

Evening golfers should bring bug repellent, and light rain gear, water proof rain hoods and club covers, marker pens for identifying individual's golf balls.

Golf Course Attendant, Bill Messmer recommends using Listerine or mentholated rub, like Vick's as a non toxic bug repellent.

Muskeg Meadows Modifications

Course repairs on fairway #3 remain in effect. Beware of cart path, foot bridges, and areas that are roped off. Please note that the areas under construction are considered by USGA as "Ground Under Repair", and may be played with a free drop out of the area, no closer to the pin.

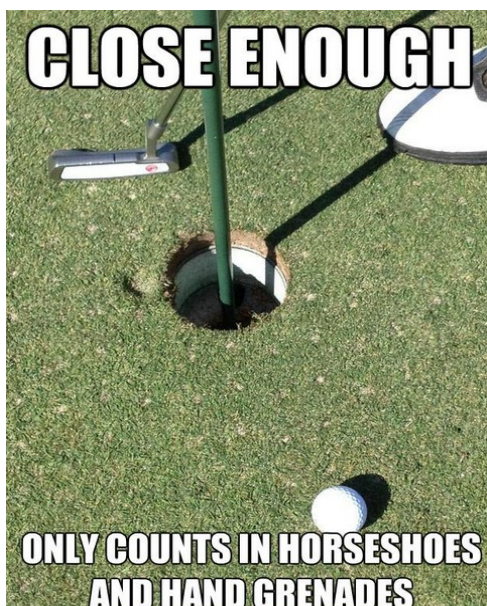

The yardage on that fairway has been modified and compensated for on fairway #6 changing #6 to a par 4.

During tournaments teams will be using the colored pegs on #3 for tee areas. Men use the white pegs located just below the construction area and ladies use the red pegs just above the construction area for a short par 3.

On fairway #6 the champion boxes will be used by men and the white tee box will be used as the forward tee.

The "Closest to the Pin" competition will remain on #4.

The "Straightest Drive" will permanently remain on fairway #1.

Pictured on the left is the current construction area on fairway #3. A relief is given, no closer to the pin out of this rough area. Please be advised the new tee area for men (white pegs) is just below this construction, and ladies tee area (red pegs) is just above it, making fairway #3 a short par 3.

For your safety, please be aware of and yield to ground under construction areas that are roped off throughout the golf course. On the back side of the buildings near the Tourney Room construction has begun. A temporary ramp to the Tournament Room was put up and new steps to the back porch of the Proshop and the rental room are now useable. Club Member and golf mentor, Tom Wolford, has been working to rebuild the back stairs to the Proshop, Rental "Ball" Room, and the entire porch and ramp of the Tournament Room.

Ravens vs. Muskeg Meadows Golf Course

This week the ravens continue to peck and dig at the sod. Spotty areas have been turned over throughout fairways #2, #3, #5, #6, #7 and #9. These rough areas are considered "Ground Under Repair" with a relief given, no closer to the pin.

The effort to control the raven's food source, grubs, continues at Muskeg Meadows. The golf course Superintendent, Wayne Harding, has administered several millions of predatory nematodes to the sod. He also has a plan to administer several million more. The nematodes will seek out and destroy the grubs. Predatory nematodes cause no harm to anything that isn't insect larva. Nematodes won't harm plants or earthworms either.

These predator nematodes kill only grubs by invading the insect's body and reproducing on the remains. Nematodes can multiply by the millions per second when the conditions allow and each new nematode will repeat the cycle. Check out Charley's Greenhouse, in Mt. Vernon, Washington online to learn more about the beneficial nematodes at Muskeg Meadows Golf Course.

http://www.charleysgreenhouse.com/index.cfm?page=_product_details&productid=7852&learnmore=1#lmore

The nematodes were funded, in part, by the Rasmuson grant the Wrangell Golf Club received this year for course repair and maintenance within Muskeg Meadows Golf Course after last year's raven destruction.

Ravens are a protected species and are considered sacred by the local natives of Southeast Alaska. The Legend of the Raven says the once white bird, now black, helped bring the sun, moon, stars, fresh water and fire. The Raven is also considered by local natives to be ancestors who are mischievous, handsome tricksters.

Pictured above are examples of the damaged fairways caused from ravens.

Wrangell Parks & Recs Summer Youth Program includes golf for children between 11am and 12 noon next Tuesday, July 30th.

Photo Credit: Donald Groom

Youth

Wrangell Parks and Rec Summer Youth Program is scheduled to return to Muskeg Meadows Golf Course for lessons next Tuesday, July 30, 2013 from 11am-12noon. For safety and skill, Don and Bonnie Roher will be offering golf etiquette instructions on the driving range and practice putting green.

When accompanied by an adult, greens fees at Muskeg Meadows for children under 12 are always free! Children under 18 receive steep discounts on greens fees.

Muskeg Meadows Golf Course is unique in the sense that it is beginner friendly. Aside from tournaments, and days the large cruise ships are in town, tee times are not required.

During the week, teams who play slower, let faster golfers play through. Hitting the links with the family is encouraged.

At the core of the game of golf there is a standard of behavior that lends itself to positive development in children. Present at any level of competition are personal skills such as honesty, integrity, courtesy and respect. Golf encourages the highest level of sportsmanship by teaching kids to be responsible for their actions and to use good judgment. Golf also allows for quality family time. It's a game that families can learn and play together. Because golf has an established handicap system that was created to determine a golfer's playing ability and potential, moms and dads can

actually *compete* with their children even if they play from different tee boxes, or at significantly different skill levels.

Volunteer Opportunities

There are several volunteer opportunities available at Muskeg Meadows Golf Course.

Salads and side dishes are greatly appreciated for our backyard BBQ during every tournament.

There is always a need for a "Double Your Money" host to spot on fairway #4 during tournaments. Must be 18+ years to participate.

Volunteer position requires taking and recording bets and verifying if better tee shot makes it to, and remains on the green.

Painting, pruning trees and shrubs, and tending to the flower beds throughout the golf course is also something a volunteer could help with.

Volunteers for the club cart need to be familiar with golf etiquette, Muskeg Meadows Golf Course, and alcohol servers state laws. Club members familiar with the golf course and volunteers with a alcohol server certification will always take precedence.

Thank You...

I'd like to thank tournament sponsor First Bank, Matt Hagan, Brian Slick, Jim Sarvela, Amber Hommel, Rebecca Smith, Mikel Smith, Tammy Groshong, Maxine Neyman, Loretta Rice, and each participant and volunteer who dedicated their time to make this event a success.

A special Happy birthday to Ketchikan Little League Coach Steve Kemble.

And thank you to the Ketchikan Baseball team for coming out and playing golf between baseball games. Thank you to parents Setanya Snover, and Cindy Warster for your help with assisting the team on the driving range and golf course.

Thank you, Kathy Sandness, Tom Wolford, and Don & Bonnie Roher, Wrangell Golf Club Mentors, and Advisors.

And the participants of golf lessons and mentoring groups.

Thank you Sylvia Ettefagh, Lisa Nikodym and Nicole Strom at Alaska Vistas for coordinating golf

on board the cruise ships, and directing tourists to Muskeg

Meadows Golf Course.

Thank you Captain Eric, with the Catamaran Cruise Ship, Alaskan Dream for making golf a regular stop in Wrangell.

Thank you to the golf course employees for the hard work and dedication to the Club and Course. Welcome to the crew, Wrangell Golf Club new hire: Hal Rhodes!

Hal Rhodes: Brushing, pruning, greenskeeping and maintenance.

Wayne Harding: Muskeg Meadows Golf Course Superintendent.

Michael Brewster: Greenskeeper.

Bill Messmer: Tournaments, Grounds and Clubhouse Assistant.

Donald Groom: BBQ Cook, Computer Tech, Photos, Youth, Driving Range and Clubhouse Assistant.

Thank you also W.G.C. Board of Directors, your hard work and dedication is what keeps the golf course going.
